

## Day 1

### **Tbilisi – Kasristskali**

Early morning we depart to Dedoplistskaro. After getting registered at the visitors' centre we continue driving towards our farm through the horizonless grain fields. The farm is located 2km away from Kasristskali . After delicious lunch at the farm we adjust our equipment and start riding towards Savi Mta view point on Alazani river and across it on the fields and villages of Azerbaijan. The ride is a 12km long round trip.

## Day 2

### **Kasristskali – Tbilisi**

After breakfast we prepare our luggage, mount our horses, and head to Vashlovana viewpoint, where we'll have amazing views on Mingechauri water reservoir, Samukhi plain – the driest place in Georgia with stunning rain formation rocks and landscapes. The total riding distance is 15km. At the ranger station, we'll be picked up and transferred to Tbilisi.
